DEDICATION TO Mr. Charles J. Schott

We, the Class of 1959, are pleased and proud to dedicate this year's Chega-quat-ka to a man who has devoted unlimited time and effort on our behalf. His students in Citizenship Education enthusiastically agree that the classes are always stimulating. With his keen sense of humor and his debating skill with students he rates as a favorite senior teacher. He will often take the opposing side in a discussion simply to spur and expand our ideas. His "Problems in Democracy" classes are always exciting and inspirational.

He is deeply interested in all sports. As "Hot-Shot" Schott, he is one of the star players in the annual Senior-Faculty basketball game.

He has coached the Debate Club and was instrumental this year in organizing the Yorker Club. He has been a senior advisor for the past three years and is a past president of the Teacher's Association. For these reasons, and many more, we consider it a privilege to dedicate the 1959 Chega-quat-ka to you Mr. Charles J. Schott.

An outstanding
job on the
1959 yearbook
- always diffi-
cult & complex
- made doubly
so because of
your newness to
Whiteboro.

I sincerely hope
you will remain with us
& continue to do the ex-
cellent job you
started!

BLUE AND WHITE WEEKEND

Queen Sandra Draper and her attendants Bay Mercier, Joan Cook, and Barbara Devel accept crowns from John Wagner.

The 16th, 17th and 18th of October were the days chosen for the fourth annual Blue and White Football Weekend sponsored by the Student Council. With Pat Kostyn as chairman of the event the students celebrated on Thursday, Blue and White Day by wearing the school's colors to classes. The night of the 17th was chosen for the pep rally and the Senior Class was presented with a trophy for showing the greatest support. Before the Whitesboro New Hartford game on Saturday the James B. Leach Memorial Scoreboard was dedicated. During the half time, Sandy Draper, the queen of the weekend, was presented with a bouquet of roses. She and her court were crowned at the dance that evening which brought the gala weekend to a close.

Senior class president Bill Bauck receives The Blue and White Pep Rally Trophy from Queen Sandie Draper as M. C. Tom Clark looks on.

Junior Class cheer as they parade through Whitesboro.

The Board of Education of Whitesboro Central represents the entire area of our school district. There are seven members: two from Whitesboro, one from Yorkville, one from Harts Hill, and three from the Marcy-Deerfield area. The Board has many powers and duties. The duties are the establishment of the policies, the rules and regulations, the providing of transportation, and the setting up of prescribed courses of study and books to be used for such courses. Also the Board is in charge of employing all teachers, and prepares the budget for the operation of the schools. This group has in all respects the superintendence, management and control of all the schools of the district.

DR. JAMES CULLEN, Principal

Whitesboro High School is completing the current year as a nine through twelve organization for the first time. Our ever increasing enrollment has reached 875 for just these grades alone, with a competent faculty of over sixty members. In retrospect, the Chappaqua of twenty years ago pictures a graduating class of less than 100 and a total faculty of nineteen. But we have continued to move forward with the times with a modern curriculum and up-dated teaching and administrative procedures. W.C.S. continues to be recognized as a leader among educational institutions.

LOG BOOK

We, the Class of 1959, launched our high school career in September, 1955. As Freshmen we elected for our chief executives James Brown, President; Mary Whiting, Vice President; Carol Aldrich, Secretary; and Tom Clark, Treasurer. The big event of the year was the annual Frosh Frolic. With the help and patience of our friendly chaperon, Mr. Howard McCabe, the dance rated as one of the best socials of the year.

After returning from an enjoyable summer it was time for our sophomore elections. Because he had done such a marvelous job the year before, James Brown was re-elected President. To help Jim carry out his duties, we elected Annes Pickelmark, Vice President; Joanne Coluccio, Secretary; and Karen Soule, Treasurer. With the wise counsel of our advisor, Mrs. MacFulmer, we made our Soph Hop another huge success.

Our Junior Year! Here it already! We once again chose James Brown as President. Annes Pickelmark was chosen Vice President and Judy Nowak was Secretary. Because of his ability as a leader, the Faculty appointed John Field as Treasurer. We were known as the Pioneers of the standard class ring which is now worn by everyone. Of course, the Junior Prom highlighted the year. Bill Bouck and Karen Christensen served as Chairman. Chris Bliss and Kathy Bond headed the Art Committee. Mr. Eaton and Mr. Thompson assisted us. Finally, on May 2, 1957, after many hours of preparation we transformed our gym into a truly "Enchanted Sea."

At last we reached our goal, our Senior year. In fact, our Senior was presented as our Senior Play. We found ourselves involved in Christmas carols, recitations, and coke dances to finance our Yearbook and Senior Ball. But now it's almost over, with only one big occasion remaining, our graduation. As we leave our Alma Mater, we have many pleasant and exciting memories for future reminiscence.

JUNIOR PROM

On the evening of May 2, 1958, our gymnasium was transformed into an "Enchanted Sea." Couples strolled up and down, entranced by its underwater mysteries. Oswalda Octopus smiled as the King and Queen, David Manley and Sandra Draper, with attendants Patricia Kostyn and William Suba, marched to the throne. Co-Chairmen Karen Christensen and William Bouck, along with Art Co-Chairmen Kathleen Bord and Everett Bliss, breathed a sign of relief that their work was so well done. The Senior Class of 1959 will remember this evening forever as being truly "enchanted."

Each Thursday afternoon the Student Council meets in the auditorium during the school period of 10:00 to 11:00. With Mrs. Potter as faculty advisor, this organization has supervised the Fall and Winter Weekends, the Olympic Fund Project, and the 1964 Student Program. This supervises the operation of the bulletin board, which is necessary. Breakfast is offered. This year's success is a result of the good setup during the lunch periods.

The Executive Committee is an important part of Student Council. This committee is composed of the officers and representatives from each class. It meets each week to prepare for the coming meetings, to plan for the day, to prepare plans for the Council, and to take action on Council recommendations.

The objective of the organization is to promote good citizenship by providing a means whereby students can express their opinions and concerns important to the student body. It provides an excellent opportunity for developing student leadership and responsibility.

The 1959 Chega-quat-ka was produced by a group of hard working seniors who put a lot of time and effort into the final volume. Early in the fall we battled over the theme through several meetings. This decided, we settled down to Yearbook lay-out, picture scheduling, selling yearbooks and space, writing captions, and identifying pictures. Our classmates supported us by selling Christmas cards and magazines to finance the yearbook. We have had a lot of fun putting out this edition, and we hope you think it is one of the best ever. Faculty advisor was Mrs. Violet O. Jones.

This organization is composed of club reporters, staffers, and stringers who are carefully selected from the student body. Editing and distribution of the school paper is handled entirely by the student editors. The paper keeps students informed on all the latest school news. In addition, the staff creates contests and puzzles which tax the ingenuity of more clever readers throughout the year. The editors attended the Columbia School Press Association Conference held in New York City, accompanied by the faculty advisor, Mr. Paul Pierce.

At 8:15 P.M. on November 25, 1958, the curtain rose on the First Act of "Time Out for Ginger," our Senior Play. This three-act comedy, written by Ronald Alexander, captured the hearts of all who attended. Teen-ager Ginger Carol's belief that all men are created equal and the fact that she took full advantage of this belief by trying out for the high-school football team, hypnotized the entire audience. Things were entangled even more when Ginger's father gave a vehement speech at school expressing the view that girls should not take gym. At the end, however, Ginger fell in love with Tommy Green and decided that maybe football wasn't lady-like after all. After several curtain calls, the final curtain descended and everyone backstage groped for the Kleenex box. Our Senior Play was over!

A new organization at Whitesboro this year is the Hugh White Chapter of the Yorker Club. This organization is composed of boys and girls in grades 9 through 12 who have a mutual interest in the history of New York State — both general and local. This organization, sponsored by Mr. Charles J. Schott and Mr. Mario DiMarco, is affiliated with the New York State Historical Association with its headquarters at Cooperstown, New York. This year the newly formed club visited the Herkimer Home at Little Falls and the Oneida County Historical Association at Utica, New York. The club also produced a map project of early Whitestown, which was entered in competition at the annual convention of the Yorker Clubs of New York State held in Saratoga Springs.

The A Cappella Choir under the capable direction of Mr. Calvin Gage has had a very successful year. Throughout the year the choir has given many performances. The Christmas season was very busy starting with the annual radio broadcast over WIBX. The next Christmas performance was a concert at General Electric with the combined choirs of Whitesboro, Proctor, Utica Free Academy, and New Hartford. This performance was also heard over WIBX. The choir started the Christmas holidays off musically with a Christmas assembly. The annual Concert Carnival and Spring Choral Concert were great hits with the audience. This year the choir ended their busy schedule with The New York State Contest, May first through second, at Potsdam.

Through try-outs a group of outstanding female voices were chosen from the A Cappella Choir last fall. This group of girls was called the Harmonaures. They have had many performances and we should congratulate them on a job well done.

The Harmonaures are a group also picked from A Cappella Choir through try-outs. They have had many performances and we should congratulate them on a job well done.

Among Whitesboro's finest organizations, the concert band is under the leadership of Mr. Donald Cantwell. As usual the band supported the football team in true marching form and participated in the pep rally this fall. Then in concert formation, the band proved itself by its brilliant performances at the Concert Carnival and the Annual Band and Orchestra Concert. Again, as last year, a wind and percussion ensemble has been built around the better musicians in the band. Representing the Warriors at the State Contest in Rome, the band and ensemble received an "A" rating in grades 4 and 6 respectively. The Dance Band inaugurated its second full season at a well received program for the 9th grade Christmas Party. Helping Mr. Cantwell to make the band efficient are its officers: President, Bruce Burrows; Vice President and Librarian, Gault Farrell; Vice President and Uniform Manager, Lillian E. Secretary, Kathy Hurd; and Treasurer, Carole Currier.

No other Whitesboro Central sport inspires the interest and enthusiasm that accompanies the football season. The home games are highlights of the season and games away from home are seen by many enthusiastic followers of the blue and white Warrior gridiron crew. The students go out and show their school spirit by attending the pep rally and dance during the Blue and White Weekend, which is one of the main attractions during football season. The outstanding games of the season were with Proctor and Leon but the team displayed fine sportsmanship and teamwork throughout the season. This year the team will lose Jan Brown, Tim Fox, Joe Impicetto, Dave Manley, Paul Molesky, Milton Roberts, Ed Shannon, John Wagner and Carl Williams but they have a good start for next year's team with such experienced players as Robert Cioch and Harold White, both juniors, and Kenneth Kostack, a freshman with a promising future. The Warriors are under the capable leadership of Coach Frye.

The 1957-58 Junior Varsity basketball players fought a tough season. We and good ball players are better than it looked. We lost 11 games out of sixteen this winning only 6 games. The first losses were those played at the beginning of the season with Holland Point, St. Francis, then and Powder. David Jones was top scorer with 114 points followed by Lee Shannon with 156 points. The Junior Varsity will have some experienced players next year who will be a good factor in our success next season. The basketball team is under the capable leadership of Mr. Robert Ingersoll.

Skiing is among the growing sports at Whitesboro. By joining the Ski Club, which is under the supervision of Miss Margaret Bosley, enthusiastic skiers are able to go skiing every Saturday at Old Forge and receive free lessons. The highlight of this year's ski season was the first annual Whitesboro Winter Carnival, directed by Steve Maziarz, the club chairman. The Carnival was brought to a close by the crowning of the king, Gault Farred, and the queen, Mary Whiting, at the Winter Carnival Ball.

The boys' ski team, coached by Mr. Harold Rice, is for the more advanced skier. The season is started with a rugged training program, and later when snow conditions permit, the team goes to Turn for lessons. The team has skied in many meets, both in and out of state and has done well in most of them. Outstanding performances have been turned in by both Harold Forbes and Edward Leahy for the team during this ski season. All the boys ski downhill, slalom, and cross country.

Again this year the Warriors are represented by a girls' ski team coached by Mrs. Bisley. The girls have participated in numerous meets throughout the state. The most important of these has been the Whitesboro and Lake Placid Winter Carnivals and the New York State Championships at Whiteface. Winning numerous medals in slalom and downhill were Diane Forbes and Annan Ottaway.

GIRLS' ATHLETIC ASSOCIATION

The fundamental purpose of this organization is the promotion of athletic activities for girls at Whitesboro through the direction of intra-mural and inter-school programs. In order to become a member a girl must have attained 100 points. Points are given for participation and for officiating in various sports offered. Its activities this year in addition to conducting the school program have included an orientation party for Freshmen, a social get-together in honor of our football team, and the invitation of speakers to meetings to talk on sports activities vital to girls. Included among these were Dr. John Brereton who spoke on opportunities in sports for women and girls, and Miss Freda Frev who spoke on tennis tournaments open to girls of this area. The girls also sparked Blue and White Weekend with the sale of buttons which were worn on Blue and White Day. The following G.A.A. members acted as managers and took charge of organizing teams and recording various games. They are: Lorna Drury, hockey; Karen Christensen, basketball; Mary Bockhardt, badminton; Beverly Pidgeon, tennis; and Carol Pickering, bowling.

Hail to thee! O Sons of Whitesboro,
We have a trust to keep;
The love of Whitesboro High School
And her high ideals to seek;
Fidelity is for the blue,
And the white means honor bright;
So we'll stand true forever
To the Royal Blue and White.

Through the four long years of high school,
'Midst the scenes we love so well;
We have struggled on and upward
Till we've reached the goal ideal;
Whitesboro High, we'll ne'er forget you;
You have always loomed so bright,
And we'll all stand true forever
To the Royal Blue and White.

When we're launched on Life's great journey,
And we come to toil and care;
We will think of dear old Whitesboro
And the moral we've learned there;
We'll uphold her fine ideals,
And we'll represent the right,
Be right, be square, be true, be fair
To the Royal Blue and White.

Through the four long years of high school,

'Midst the scenes we love so well;
We have struggled on and upward
'Till we've reached the goal ideal;
Whitesboro High, we'll ne'er forget you;
You have always loomed so bright,
And we'll all stand true forever
To the Royal Blue and White.

When we're launched on Life's great journey,
And we come to toil and care;
We will think of dear old Whitesboro
And the moral we've learned there,
We'll uphold her fine ideals,
And we'll represent the right . .
Be right, be square, be true, be fair
To the Royal Blue and White.

Mrs. V. O. Jones,

Well, I guess the year has finally come to an end. As I look back over my Senior year, you seem to have been in alot of my activities. I hope you remember at least some of the things we did.

I meet you for the first time in Sept. when our yearbook staff met. I remember you were quiet and seemed a little scared of the big task which you had before you (but you came out with flying colors). I always came in and asked you when we would get started. Well, we finally did. What a job we had. But finally, after much hard work, on Wednesday, June 3, we proudly gave out the best yearbook.

While all this was going on, the ski season came. Remember how you came timidly to a ski club meeting to learn something about a subject you knew nothing about? How, after trying boots and coming to a ski sale, you finally got a pair of skis and boots for yourself and Mike? How you took that big step, you and Mike came skiing? How you timidly came down the small small hill for the first time? How you had trouble with your knee - darn it all - ? How I took Mike to the top of the hill and we came down - wow - ? How I got you to chaperon the ski trip? How you helped us with

one year and I admire you very much. You always look so neat. You always are dressed so nice. I hope you find a nice place. You will like (maybe Whiteboro because we really want you here) and stay there. Good luck with next year's Yearbook and all the other jobs you undertake. You really deserve all the success and happiness in the world!

Good Luck!

God Bless You.

Your friend
Steve

P.S.

Thank you very much for giving us this wonderful Yearbook. It wasn't for you, we wouldn't have one. Don't say no because it is true. You put so much time in to get this Yearbook out. The Yearbook Staff, the Class of '59, all the other classmen, and the Faculty would like to congratulate you for a "terrific" job. You deserve all the fame, glory and credit worthy of any really outstanding person.

God Bless You

Sincerely,

Stephen J. Mays
